About MDG Cosmetics

Name of Company : Modongee Cosmetics

CEO Name : Kyutae Kim (David Kim)

Description

We have made our concentrated efforts at our R&D center
In order to develop the highest quality cosmetics

Our Values

Good For Your Body

We manufacture and supply cosmetics for consumers by carefully selecting raw materials that are not harmful to our body in cGMP and ISO 22716 certified factory facilities.

Various cosmetic categories

We manufacture various cosmetics for our body such as skincare, make up and hair products. From basic products to products with ideas and innovations, buyers as well as consumers have a wide range of choices and satisfaction

OEM /ODM

We are doing OEM / ODM business for a wide range of products, from Korean large companies to overseas companies.

Brand : FOODAHOLIC

Brand Story

A food cosmetic brand that exists in nature, such as fruits and plants, is not harmful to the body, and provides a healthy beauty life by making it based on ingredients that can be eaten by people.

Originality

Just like you eat every day, you apply cosmetics to your face and body every day. So, even with the same ingredients, we are constantly striving to help make the skin beautiful by carefully selecting and producing high-quality ingredients

High quality, low price, various cosmetics

In order to supply a variety of inexpensive but good quality cosmetics to customers, Food A Holic helps to restore skin health and peace of mind through self-nature and food energy considering customers from product planning, ingredient selection, and completion
